NOTICE

TCS Fresher Hiring through TCS NQT for YOP 2024

(Kind attention of the Directors / Principals of constituent and affiliated colleges under BPUT)

In reference to the above cited subject, this is to inform that TCS has extended the campus recruitment opportunity for the 2024 Graduate students.

TCS NQT follows an Integrated Test Pattern for Ninja, Digital and Prime fresher hiring at TCS. Candidates need to appear for a single test and based on the test performance, they will qualify for the said interview processes. The process is exclusively and limited to students graduating in the year 2024 with the following academic degrees: Bachelor of Technology (B.Tech.) / Bachelor of Engineering (B.E.) / Master of Technology (M.Tech.) / Master of Engineering (M.E.) / Master of Computer Applications (M.C.A.) / Master of Science (M.Sc. / M.S.) in any specialization offered by recognized universities.

Application Process:

Link for Registration: - <https://nextstep.tcs.com/campus/#/campusLite>

- **Step 1:** Log on to the TCS NextStep Portal in a new tab.
- **Step 2:** Register, complete the Registration Process and Apply for the Drive.
- **Scenario A** – If the student is a registered user under TCS NextStep Portal, 'IT' category, they may login with their TCS Reference ID (CT / DT reference number) and proceed to complete / update the Application Form. Upon submission, they must mandatorily click on 'Apply for Drive'.
- **Scenario B** – If the student is a new user, they should click on 'Register Now', choose category as "IT" and proceed to fill in their details as mentioned above and click on 'Apply for Drive'.
- **Step 3.** To confirm their status, students may check the 'Track Your Application' tab in the portal. The status should reflect as 'Applied for Drive'.

Students are advised to be extremely careful and mindful while filling their Application Forms and registering in the TCS NextStep Portal. It might not be possible from our side to rectify any mistakes that they make at any stage.

- Candidates must read all instructions thoroughly and follow the guidelines in terms of the format and size of the documents that they have to upload, namely, their CV and latest photograph.
- All candidates must mandatorily register with their personal email ids. Institute email ids will not be considered for further processing.
- Candidates should not make any mistakes in any fields that they fill up.
- Test Centers once chosen cannot be modified at a later stage.
- Since the profiles are linked with the candidates 'Aadhaar Card', they will not be able to re-register once they have registered in the portal.

TCS Eligibility Criteria:

- **Percentage:** Students should have minimum aggregate marks (including all subjects and in all semesters) of **60% or 6 CGPA** in each of Class X, Class XII, Diploma (if applicable), Graduation and Post-Graduation (if applicable).
- **Highest Qualification:** TCS NQT is exclusively open for students graduating in the year 2024 with the following academic degrees: Bachelor of Technology (B.Tech.) / Bachelor of Engineering (B.E.) / Master of Technology (M.Tech.) / Master of Engineering (M.E.) / Master of Computer Applications (M.C.A.) / Master of Science (M.Sc. / M.S.) in any specialization offered by recognized universities.
- **Backlogs / Arrears / ATKT:** The student should have **zero pending or active** backlogs / arrears / ATKTs at the time of appearing for the TCS Selection process. Additionally, all candidates must complete their course within the course duration stipulated by the University.
- **Gap / Break in Education:** It is mandatory to declare gaps in education, if any. Overall academic gap **should not exceed 24 months** until highest qualification. Relevant documentation, as applicable, will be checked for gaps in education.
- **Course Types:** Only **full-time courses** will be considered (Part-time / Correspondence courses will not be considered).
- **Open Schooling:** Students who have completed their Secondary and / or Senior Secondary course from NIOS (National Institute of Open Schooling) are also eligible to apply only if the graduation and post-graduation (if applicable) courses are done full-time.
- **Work Experience:** Students with prior work experience of **up to 2 years** are eligible to apply.
- **Age:** Students should be between **18 to 28 years** to participate in this hiring event.

Hiring Categories:

- **Ninja – CTC 3.3 LPA for UG candidates and 3.5 LPA for PG candidates.**
 - To manage and support application development and management.
 - Enhance systems engineering for better efficiency.
 - Explore next-gen technologies for an innovative career path.
- **Digital – CTC 7.0 LPA for UG candidates and 7.3 LPA for PG candidates.**
 - Projects on solution development and integration.
 - Drive internal initiatives focused on modern technologies.
 - Contribute to TCS' ventures in pioneering new product developments.
 - Develop tech frameworks and tools for enhanced capabilities.
- **Prime – CTC 9.0 LPA for UG candidates and 11.5 LPA for PG candidates.**
 - Complex projects with advanced technologies and algorithms.
 - Exploration of emerging tech for industry applications.

Test Pattern:

Sections	Duration (in minutes)
Part A - Foundation Section	
Numerical Ability	25
Verbal Ability	25
Reasoning Ability	25
Part B - Advanced Section	
Advanced Quantitative and Reasoning Ability	25
Advanced Coding	90
Total Duration	190

- TCS NQT is an integrated test consisting of two sections: **Foundation** and **Advanced**.
- While all are encouraged to attempt both sections, it is mandatory if you aspire for Digital or Prime.
- Based on the test performance, candidates will be shortlisted for **Prime, Digital or Ninja** interviews.
- TCS NQT will be conducted in **TCS iON Centers**.

Test Date:

The test will be conducted in batches starting **Friday, April 26, 2024**.

Important Pointers:

- Please note that this is an In-Center test, and center allotment would be on first come first served basis.
- Candidates must have all their original academic documents till date, to be produced at the time of interview (if test shortlisted)
- Communication related to the test will be informed to the candidates directly by our test partner, TCS iON.
- TCS does not send job offers / any hiring related communication from unofficial email ids like Gmail, Rediffmail, Yahoo Mail, Hotmail, etc.
- TCS does not ask candidates to deposit any money for employment offer.
- TCS is not associated with any external agency / company to conduct any interviews or make offers of employment on its behalf.
- Kindly note that we have a stringent Eligibility Criterion and a robust selection process. Candidates' eligibility as per the defined criteria will be checked at various stages of the selection process. At any point of time if a candidate is found ineligible, or data shared by the candidate is found discrepant, the candidature will be disqualified.

Registration End Date: - Tuesday, April 9, 2024 at 11:59 PM
